The Great Hyatt

The Hyatt Times Square topped out last week in Manhattan's famous Theater District. Owned by Extell Development, Lend Lease built the 550-foot, four-star hotel, SLCE designed it, and SPaN and George Wong Design did the interiors. Celebrating in all their glorious hard-hat safety are Extell's Joaquin Stearns and Jeff Dvoretz, Lend Lease's Paul Finamore, Extell's David Rothstein and Anthony Abbruzzese, Lend Lease's Ralph Esposito, and Extell's Anthony Zarrella and Evan Levy.
