## Extell Development Unveils Model Office Condominium at International Gem Tower

Extell Development unveiled the International Gem Tower's first model office condominium on September 11. Designed by Skidmore, Owings and Merrill, the state-of-the-art tower is being built exclusively for the global diamond, gem and jewelry industry. Located on the 18<sup>th</sup> floor, the 3,000-square-foot model showcases the building's comprehensive industry offerings, including double-entry doors, intra-locking systems, bulletproof glass, sorting rooms and abundant natural light. The International Gem Tower is currently 70% sold and is expected to be fully operational by mid-2013.
